Details
Apply Description Individual contributor position responsible for supporting the business on high volume days with the ability to flex into multiple roles including selling, cashiering, replenishing and/or processing. Drive store sales through personally engaging with customers, answering questions, perform demonstrations, and product recommendations.

Responsibilities:

- Deliver friendly and efficient cash wrap experience.
- Reinforce customer buying decisions at checkout.
- Recover merchandise on sales floor.
- Replenish merchandise to brand standard.
- Process merchandise to be floor ready and maintain back room.
- Assist with other projects as needed including floorset and shipment processes.

Qualifications

- Excellent communication skills.
- Available to work on designated high volume peak days.
